With CrossCheck's Multiple Check service there is no waiting, no long layaways, no credit check needed on the purchases your customers need and want. A check guarantee service from CrossCheck lets you accept checks easily and quickly from your customers and give them extra time to pay, up to 90 days. When payment is due, customers can write 2-4 checks for the total amount. Checks are authorized in seconds by phone, credit card terminal or through the Internet using your PC and then deposited over a period of time, 30-60 or 90 days later. Should a check be returned, submit it for claims processing and reimbursement.
