

From Check Acceptance to Deposit CrossCheck's Remote Deposit Capture Solution Makes it Simple

Remote Deposit Capture Plus from CrossCheck is an electronic check processing service that offers streamlined check handling, convenience, guarantee and enhanced features including Future Deposit for multiple check acceptance. Increase sales and reduce risk with this unique RDC solution.

This electronic check processing service lets you authorize your customers' checks quickly and easily. Convert checks at your desktop with

an imager and PC for electronic deposit without a trip to the bank. Claims submission is eliminated as returned checks are not deducted from your business accounts.

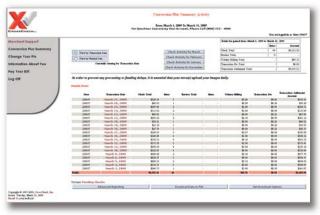

Use a PC and imager to process checks right from your desktop and eliminate trips to the bank.

Enhancements include Future Deposit for acceptance of multiple checks for a single transaction, COD and Stop Payment coverage. CrossCheck online web reporting provides 24/7 access to check status and activity.

Remote Deposit Capture Plus Offers Your Business

- Wider acceptance of checks with fewer administrative returns
- Future Deposit, COD and Stop Payment enhancements included
- 24/7 transaction reporting via the Internet
- Fast and easy set-up

Conversion of business checks and online reporting are exclusive CrossCheck features.
